1- President El Sisi Meets U.S. Congressional Delegation in Cairo:

On Sunday, 26 June, President Abdel Fattah El Sisi met with a U.S. Congressional delegation headed by Representative Dana Rohrabacher, Chairman of the House Committee on Foreign Affairs Subcommittee on Europe, Eurasia and Emerging Threats.

According to a statement released by the Office of the Presidency, President El Sisi “underscored the strategic relations that bind Egypt and the U.S.” and emphasized the “importance of military cooperation between the two countries as a key pillar of these relations.”

6- Egypt's Leading Diplomatic Role in Africa:

On the occasion of the annual celebration of Africa Day 2016, I published an article on "Egypt's leading diplomatic role in Africa priorities in Africa, including security, development, and strengthening the relations among Africa countries. It also refers to Egypt's current efforts as a member of the Security Council and the African Peace and Security Council to realize these goals.
